Operating point

Flow rate
Sense of rotation
Displacement
Differential pressure
with integrated pressure relief v:
adjustable
In- and outlet port size
Lowest possible viscosity
Temperature range
Inlet pressure range
with Three-phase motor

Exemplary illustration of series 151

Design materials

Pump body	EN-GJL-250
Gears	EN-GJL-250
Shafts	Hardened Steel
Sleeve bushings	Hardened Steel
Static seals	Buna N
Shaft seal	Lip seal ring Buna N
